# INTRODUCTION

Welcome to the Park Lane Beds exclusive mattress and bed collection, we hope you enjoy browsing through our extensive product range as much as we have enjoyed selectively creating it.

At Park Lane beds we manufacture superior natural products sourcing all of our natural materials within Great Britain. Using only the finest Mohair, Silk, Wool, Cashmere, Bamboo & Cotton available for mattresses. Our ever popular Cool Gel & Memory foam mattresses conform to the body offering great support and keeping you cool.

Made by highly skilled craftsmen with years of experience, our beds and mattresses not only offer great quality but also fantastic value for money. At Park Lane Beds we know how important excellent customer service is, with dedicated sales and support staff waiting to assist.

We continually look for ways to make our products better, at Park Lane Beds **innovation is key!**

*Did you know?* Park Lane is Going Green!

We pride ourselves as an environmental friendly company, recycling our card board and plastics and invested in Energy saving Lighting throughout our factory.
